

IF THE WORLD WERE 100 PEOPLE...

80 people would have a mobile phone

Did you know?

Out of the 100 people, 16 would speak a Chinese language, 11 of which would speak Mandarin.

- 6 would speak Spanish
- 5 would speak English
- 4 would speak Arabic
- 3 would speak Russian
- 3 would speak French

And 1 person would speak German!

The other 61 people would speak one of the other 7,000 languages!

Where would people be from?

Out of the 10 people living in Europe, there would be 2 people living in Russia, 1 person living in the UK, 1 person in France, 1 person in Germany, and the other 5 people would live in the remaining 38 European countries.

The country with the most people living in it would be China with 19 people, followed closely by India with 18 people.

58 of these 100 people would be under the age of 35!

There would be 31 Christians, 23 Muslims, 15 Hindus, 7 Buddhists, 9 people following other religions, and 15 people who don't follow any.

90 of these people would have a primary education, but only 66 of them would have also had a secondary education. Only 7 have a university degree.

Only 44 have access to the internet, 26 of which have a Facebook account.

52 people live in urban areas

48 people live in rural areas

90 people would be right-handed
