# TRES BODAS DE MÁS (2013 ) 1h 34m

Meaning 'Three More Weddings' in English, this rom-com follows Ruth. She is invited to three of her ex-boyfriends' weddings in the same month. She enlists the help of her assistant to find a companion for each one, but will any of them be her soulmate? The vocabulary is very learner friendly as most sentences have a simple structure.

English title: Common Wealth  
This is a comedy about a murderous neighbourhood. A real estate agent comes across a huge sum of money in a dead man's apartment, but the neighbours have been waiting to steal it for themselves. This is good for learning how to argue, get your point across, and state a hypothesis in simple Spanish.

A TRAVÉS DE MI  
VENTANA (2022 )  
1h 56m

English title: Through My Window.  
This teen romantic drama film is good for picking up modern slang and is easy to watch. The film follows Raquel, who is hopelessly in love with her neighbour, knows everything about him, and is determined to win his affection. There are also two sequels!
